WHITE PROFILE GUARANTEE

In consideration of the customer purchasing white PVC-U window profiles, (the profiles).

- Spectus Window Systems guarantee, for a period of 10 years, the optical and mechanical performance of their PVC-U window profiles, within limits defined by the British Plastics Federation specification for high impact PVC-U hollow profiles, provided they are maintained and installed in accordance with the BPF/GGF Trade Standard for PVC-U windows issued 2 January 1989 and all other current codes of practice.
- Spectus Window Systems guarantees such white profiles for a period of ten years.
- This guarantee shall apply only to defects appearing within ten years from the date of extrusion provided that Spectus Window Systems is promptly notified in writing of such defects within that ten year period.
- The sole and exclusive remedy with respect to the above guarantee or with respect to any other claim relating to defects or any other condition arising from the use of the products supplied by Spectus Window Systems, however caused, is limited to repair or replacement of such products at Spectus Window Systems' option.
- Spectus Window Systems does not make any other representations or guarantees and in no event shall Spectus Window Systems be liable for any other loss or damage whether direct, indirect, special or consequential damages (including but not limited to the costs of reinstallation of the products).
- This guarantee does not cover foil wrapped profiles, foam products, window fittings, glass or other components not of Spectus Window Systems manufacture.
- "Nothing in this guarantee shall exclude or restrict the liability of Spectus Window Systems for the death or personal injury resulting from its negligence in so far as the same is prohibited by Statute".
- "Nothing in this guarantee affects the statutory rights of consumers".
- This guarantee is only applicable when the resultant windows, doors and other fabricated products are installed in the UK, Channel Islands or Eire.
